

# *Cheetah Conservation Fund*

Intern in Namibia with the  
Cheetah Conservation Fund!

Summer 2024

CCF

Intern in Namibia!

# *Intern in Namibia*

## **Program Overview:**

UW is pleased to offer a unique \$5000 scholarship opportunity for a graduate or undergraduate student to intern at the Cheetah Conservation Fund (CCF) in Namibia in summer 2024

The CCF center in Namibia welcomes interns with science-based, conservation-focused interests, but is also open to students with business, finance, law, marketing, public relations, research, event organizing, graphic design, report writing, proposal writing, fundraising and administrative skills. The center in Namibia has a veterinary clinic and a fully-equipped genetics lab where interns can work.

**Dates:** June 2024 - August 2024

**Scholarship:** \$5,000 grant

**Program Cost:** Please inquire with Cheetah Conservation Fund

**To Apply:** Search this program on the UWyo Abroad programs portal! Or scan the QR code to be brought directly to the website!

**Credits:** TBD

**Deadline:** November 10th
